USTA Pacific Northwest Travel Assistance Grant Application

Players participating in a national championship tournament may complete this application to apply for a need-based Travel Assistance Grant. **The purpose of the USTA Pacific Northwest (USTA/PNW) Travel Assistant Grant program is to provide need-based financial support to players who would not otherwise have the financial means to travel and participate in national tournaments.** Players are required to provide supporting documentation of expenses to the USTA/PNW office within two (2) weeks after returning from the national tournament for which a Travel Assistance Grant is awarded. Travel Assistance Grants are to be used for travel and tournament expenses for the **player only**, and may not be used for family members, coaches, or for other purposes. Applying for a grant does not guarantee that you will receive any financial assistance. The review committee also examines the player and parents' commitment to the USTA/PNW Jr. Development Program and their willingness to volunteer at the various events that were held last year.
